

PRICELIST FOR PURCHASES FROM WITHIN THE UK

Note: This pricelist includes VAT where applicable. Prices do **NOT** include postage. Postage for on-line orders is added by PayPal and is based on the value of purchase. Customers from outside the UK **MUST** email us before ordering on-line to determine the amount of postage. We will forward a complete figure and payment can be made by PayPal.

All ingredients, recipes and marketing materials for animal products have been inspected by DEFRA (May 2009). Pioneer Herbal does not claim “cure” for any product. We only use the very best herbs and oils that we can obtain for our products. All Pioneer products are handmade by us in the UK. All equine balms and most non-soap products are made to order on receipt.

PIONEER EQUINE PRODUCTS

WHITE LINE AREA

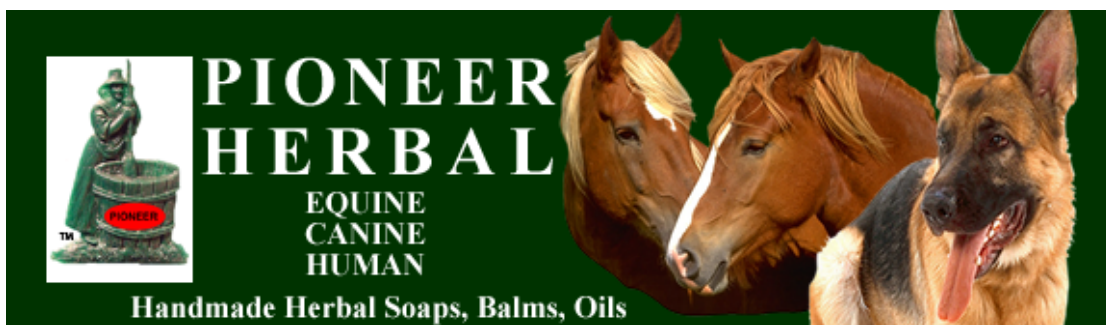

Manufactured in 150ml/250ml/500ml squeeze bottles with either white flip top or red twist top dispenser caps. Red tops are pointed, allowing accurate dispensing into crevices, holes and cracks in the keratin hoof. This is a highly successful herbal balm for use in your regular maintenance programme for your horses's feet. It is antifungal and deep cleansing. Sold in 11 countries. Try it in our recommended two stage soap and balm approach to regular antifungal maintenance for horses and animals that have a keratin hoof. Also see Herbal Liquid Soap entry in this pricelist.

SSO-EQB-250	WLD Balm 250ml bottle	£20.00
SSO-EQB-500	WLD Balm 500ml bottle	£30.00

PIONEER HOOF SOAP BAR, EQUINE AND ALL KERATIN HOOF CARE

Outstanding antifungal herbal soap made to the same recipe as our Herbal Liquid Soap. 200g. Economic. Used for all keratin hooves, frog and white line areas. Can also be used anywhere on the animal for a deep cleansing antifungal wash that will bring up the coate, while taking care of minor cuts and bites.

SSS-HF-200 Pioneer Hoof Soap 200g	£5.00

PIONEER HERBAL LIQUID SOAP - EQUINE AND ANIMAL CARE

This is an outstanding product, now sold in 11 countries. Our recipe combines herbs that have been in use for hundreds of years, with oils that assist in the deep cleansing of any animal's feet, body, skin, fur and hair. It is particularly effective on the keratin hoof because of its anti-fungal properties. It contains an effective insect repellent. Our soap produces a rich, healthy lather that cleanses thoroughly. It also prepares the skin and feet for our specific use balms - such as *Midge, Scab Softening, Wound Care, Bruise* and *White Line Area Balms*, where they may be needed. Undoubtedly the most successful product we have ever made, in regular use by owners, equine podiatrists, farriers and equine professionals in 11 countries.

SSS-LQS-250 250ml £8.00 SSS-LQS-500 500ml £12.00

PIONEER SCAB SOFTENING BALM - PRIMARILY EQUINE

Softens the scabs caused by Mud Fever (Rain Scald, Sheep Scald), and minor cuts and wounds. Helps scabs to drop away quickly, leaving clean healthy skin beneath. Includes Neem Oil to both help the wound and to deal with insects and their eggs and larvae that may invade the wound as the scab starts to peel. 3 Economic sizes catering for a single horse or an outbreak among several horses. Can be used in most scab situations for most animals.

SSO-MF-200 200g Ziplock tub, with wide mouth £10.00
SSO-MF-250 250ml Bottle with flip top dispenser £13.00
SSO-MF-500 500ml Bottle with flip top dispenser £20.00

PIONEER WOUND CARE BALM AND STICK

Our T3 Wound Care Balm, T3 Wound Stick and Arnica Stick are used for any cut or minor wound and were specifically designed for use by our Endurance community customers, those involved in eventing and cross country pursuits and other high profile outdoor activities where nicks, cuts and minor wounds are a common occurrence. The Arnica Stick contains both Arnica and Comfrey, both well known for their rapid beneficial action on bruises and sprains.

T3 Wound Care Balm is *specifically designed to melt at body temperatures*. It will quickly flood the wound channel and bring debris, dirt, bits of thorn or foreign matter to the surface. This can be quickly wiped away and a second, thin coat applied. The wound channel will begin to close quickly. If you are far away from a vet check or your home yard, T3 is an excellent choice to have on a velcro tab on your hat or boot - or in the support crew box.

T3 Wound Care Prices

SSO-AWS-05	Arnica Wound Stick	£2.50

PIONEER ANTI-MIDGE BALM, STICK AND MINI SPRAY

Our Anti-Midge Balm is being used successfully by owners in the UK, Europe and the Southern Hemisphere. It is effective in allowing the skin to recover after serious attacks by Culicoides Midges, Flies, Ticks, Lice, Fleas and biting insects, their eggs and larvae. Neem Oil is included to help to repel biting insects while the skin is recovering. We sell lots of this super balm into areas of heavy midge infestation, such as Scotland, Spain and Finland. This balm is now manufactured for us under license in Finland for distribution throughout Scandinavia and the Baltic States. The stick and mini-spray are for personal use against midges but can of course be used on any animal to obtain relief.

PIONEER BRUISE BALM WITH ARNICA & COMFREY

A fast acting bruise balm. Perfect for horses (and riders !) taking part in Eventing, Racing, Endurance, Trotting or any equine, canine or human activities where muscles, tendons and joints are under severe stress. An excellent item for inclusion in the support crew equipment box. Both Arnica and Comfrey have a very long history of successful application for the relief of pain and discomfort caused by joint strain, bruising and tendonitis. Our blend combines Arnica and Comfrey in a perfect handshake to provide fast, effective relief.

SSO-ACB-150 150ml Flip Top Bottle £12.00 (one size only)

HOOF PASTE FOR STUBBORN WHITE LINE AREA PROBLEMS

When White Line Area problems simply wont respond to a regular liquid soap and herbal balm routine, the equine foot may need our Hoof Paste. Our basic WLD recipe is only the start point for this super paste. It has the power of four times the WLD Balm ingredients and is concentrated that it will stick close to the foot. It can be packed between shoe and sole for shod horses, or covered with a wrap around boot for barefoot horses.

SSO-HF-200 200g Ziplock Tub £15.00 (one size only)

PIONEER CANINE PRODUCTS

PIONEER CAREWASH - CANINE HERBAL WASH

CAREWASH is a herbal liquid soap, very much like our Pioneer Liquid Herbal Soap for Horses, but with strong antifungal herb ingredients, specifically to help with “creeping dandruff” caused by the *Cheyletiella Mite*. The aim with CAREWASH is to thoroughly cleanse the coat and skin. CAREWASH enhances the coat of dark coloured dogs. CAREWASH is a perfect all over deep cleansing, relaxing and healthy wash not only for dogs in show, but for all working dogs too, such as police dogs, site security dogs, gun dogs and search and rescue dogs.
